

5TH ANNUAL NEW JERSEY DRUPALCAMP

Saturday, January 30, 2016

2016 Camp Prospectus

DrupalCamp NJ is an annual, regional Drupal event held since 2012. Each year we have grown the size and impact of the camp. The 2015 camp featured an extended core sprint attended by prominent contributors that **helped close over a dozen critical Drupal 8 issues**. In 2016, our fifth year, we plan to take our commitment to Drupal even further by showcasing Drupal 8 and giving back to the community. We will have **three days of activities** in January 2016 with an expected attendance of over 300.
